A professional IT engineer wearing a dark sweater over a checkered shirt and glasses is standing in a server room. He is holding a white tablet in his left hand and pointing his right index finger towards the front of a server rack. The server room has multiple rows of server racks under a blue-tinted overhead lighting system.

Objective of C|ND Candidate Handbook

The C|ND Candidate Handbook outlines the following:

- a. Impartiality and objectivity is maintained in all matters regarding certification.
- b. Fair and equitable treatment of all persons in certification process.
- c. Provide directions for making decisions regarding granting, maintaining, renewing, expanding and reducing EC-Council certification/s
- d. Understand boundaries/limitations and restrictions of certifications.

About EC-Council

The International Council of E-Commerce Consultants (EC-Council) is a member-based organization that certifies individuals in various e-business and information security skills. It is the owner and creator of the world famous Certified Ethical Hacker (CEH), Computer Hacking Forensics Investigator (CHFI), EC-Council Certified Security Analyst (ECSA), License Penetration Tester (LPT) certification, and as well as many others certification schemes, that are offered in over 194 countries globally.

EC-Council mission is “to validate information security professionals who are equipped with the necessary skills and knowledge required in a specialized information security domain that will help them avert a cyber war, should the need ever arise”. EC-Council is committed to withhold the highest level of impartiality and objectivity in its practices, decision making and authority in all matters related to certification.

As of June 30, 2019, EC-Council has certified over 237580 security professionals. Individuals who have achieved EC-Council certifications include those from some of the finest organizations around the world such as the US Army, the FBI, Microsoft, IBM and the United Nations.

Many of these certifications are recognized worldwide and have received endorsements from various government agencies including the US Federal Government via the Montgomery GI Bill, National Security Agency (NSA) and the Committee on National Security Systems (CNSS). Moreover, the United States Department of Defense has included the CEH program into its Directive 8570, making it as one of the mandatory standards to be achieved by Computer Network Defenders Service Providers (CND-SP).

EC-Council has also been featured in internationally acclaimed publications and media including Fox Business News, CNN, The Herald Tribune, The Wall Street Journal, The Gazette and The Economic Times as well as in online publications such as the ABC News, USA Today, The Christian Science Monitor, Boston and Gulf News.

For more information about EC-Council | Certification,
please visit <https://cert.eccouncil.org/>

WHAT IS THE C|ND CREDENTIAL?

Certified Network Defender (CND) is a vendor-neutral, hands-on, instructor-led comprehensive network security certification training program. It is a skills-based, lab intensive program based on a job-task analysis and cybersecurity education framework presented by the National Initiative of Cybersecurity Education (NICE). The course has also been mapped to global job roles and responsibilities and the Department of Defense (DoD) job roles for system/network administrators. The course is designed and developed after extensive market research and surveys.

The program prepares network administrators on network security technologies and operations to attain Defense-in-Depth network security preparedness. It covers the protect, detect and respond approach to network security. The course contains hands-on labs, based on major network security tools and techniques which will provide network administrators real world expertise on current network security technologies and operations. The study-kit provides you with over 10 GB of network security best practices, assessments and protection tools. The kit also contains templates for various network policies and a large number of white papers for additional learning.

CND Testimonials

“ As an Internal Auditor, I find CND program to be versatile and useful to all professions. It has added great value to my skill set and I believe it will be of use for all IA who seeks to expand their area of expertise.

- **Vuthy Keo**

“ I filled the gap of my current security knowledge. The practical stuff from our instructor was interesting and liked the labs which showed you how to's for security management in the it environment.

- **Rene Kretzinger**

“ EC-Council is the best knowledge provider because they contribute to the world with marvelous courses which is useful for everyone around the world.

- **Vy Sokhamphou**

“ Good to know for starting in IT Technology Security, the courseware was Good, CND is my start to Technology Security basic.

- **Ronald Karim**

“ An excellent starting point for anyone interested in the IT Security Industry. Courseware was very comprehensive. Virtual Labs are absolutely amazing.

- **Tevendren Padayachee (TEV)**

“ I must say, my first attempt with EC-Council CND course has given me an opportunity to improve my knowledge to work in an organised way in cyber world. CND is a game changer in my career as it showed me the correct path for IT security.

- **Anshul Gupta**

“ I am very grateful for the effort given by EC-COUNCIL to give a fruitful and effective certification ‘CND’ to advance my career in the field of Security. I should specially appreciate EC-Council for their new course, the content outline and the study materials provided are all invaluable. I will definitely recommend EC-Council for anyone who seeks to advance their knowledge in the field of Security.

- **Nithin Abraham**

“ It is a wonderful course. EC Council truly covers a professional from all sides of information Security. Help a right from configuring to testing and auditing!

- **Niranjana Karandikar**

“ EC-Council CND program is one of THE BEST Network Security certifications with clear subject focusing and also teaches you just the right number of topics which are much needed for industry. I would be recommending CND over all the other network related security certifications.

- **Gagan Jain Bommaiah Satish**

“ The CND program is sensational, fully updated content and meets a demand repressed in the market. In Brazil we are addressing professionals and companies on the CND and the demand expectation this is great, because the content is very rich and what the program aims not learned in the course of graduate courses and much less in post-graduation courses.

- **Leandro Mainardi**

Steps to Earn the ANSI accredited C|ND credential

Candidates will be granted the Certified Network Defender credential by passing a proctored CND exam. The exam will be for 4 hours with 100 multiple choice questions.

The ANSI accredited CND exam is available EC-Council Test Centers. Please contact https://eccouncil.zendesk.com/anonymous_requests/new to provide you with the locations of the nearest test centers that proctor the ANSI accredited CND exam.

You will be tested in the following domains of digital forensics:

Domains
Computer Network and Defense Fundamentals
Network Security Threats, Vulnerabilities, and Attacks
Network Security Controls, Protocols, and Devices
Network Security Policy Design and Implementation
Physical Security
Host Security
Secure Firewall Configuration and Management
Secure IDS Configuration and Management
Secure VPN Configuration and Management
Wireless Network Defense
Network Traffic Monitoring and Analysis
Network Risk and Vulnerability Management
Data Backup and Recovery
Network Incident Response and Management

If you are interested in knowing the objectives of the ANSI accredited CND exam, or the minimum competencies required to pass the ANSI accredited CND exam, please refer to Appendix A: ANSI accredited CND Exam Blueprint.

Upon successfully passing the exam you will receive your digital ANSI accredited CND certificate within 7 working days.

The CND credential is valid for a 3-year period but can be renewed each period by successfully earning EC-Council Continued Education (ECE) credits. Certified members will have to achieve a total of 120 credits (per certification) within a period of three years. For more details about ECE please refer to the next section.

All EC-Council-related correspondence will be sent to the email address provided during exam registration. If your email address changes it is your responsibility to notify https://eccouncil.zendesk.com/anonymous_requests/new; failing which you will not be able to receive critical updates from EC-Council.

To Attempt the CND Exam

In order to be eligible to attempt the CND certification examination, you may:-

A. Completed Official Training

Completed an official CND instructor-led training (ILT), online live training, academic learning or has been certified in a previous version of the credential.

Prior to attempting the exam, you are required to AGREE to:

- a. EC-Council Non-Disclosure Agreement terms
- b. EC-Council Candidate Application Agreement terms
- c. EC-Council Candidate Certification Agreement terms

You should NOT attempt the exam unless you have read, understood and accepted the terms and conditions in full. BY ATTEMPTING THE EXAM, YOU SIGNIFY THE ACCEPTANCE OF THE ABOVE-MENTIONED AGREEMENTS available on Appendix B. In the event that you do not accept the terms of the agreements, you are not authorized by EC-Council to attempt any of its certification exams.

B. Attempt Exam without Official Training

In order to be considered for the EC-Council certification exam without attending official training, candidate must:

- a. Have at least two years of work experience in the Information Security domain.
- b. Educational background that reflects specialization in Information Security.
- c. Remit a non-refundable eligibility application fee of USD 100.00
- d. Submit a completed Exam Eligibility Application Form.
- e. Purchase an official exam voucher DIRECTLY from EC-Council through <https://store.eccouncil.org/>

1. Eligibility Process

- a. Applicant will need to go to <https://cert.eccouncil.org/Exam-Eligibility-Form.html> to fill in an online request for the Eligibility Application Form.
- b. Applicant will receive an electronic Exam Eligibility Application Form and the applicant will need to complete the information required on the form.
- c. Submit the completed Exam Eligibility Application form. The Application is valid only for 90 days from the date when Application is submitted. Should we not receive any update from the applicant after 90 days, the Application will be automatically rejected. Applicant will need to submit a new application form.
- d. Waiting time for processing of Eligibility Application is approximately 5 working days after receiving the verification from verifier. Should the applicant not hear from us after 5 working days, the applicant can contact cehapp@eccouncil.org
- e. EC-Council will contact applicant's Boss/ Supervisor/ Department head, who have agreed to act as applicant's verifier in the application form, for authentication purposes.

For verification of educational background EC-Council requires a letter in written in either physical or electronic format confirming the certification(s) earned by the candidate.

- a. If application is approved, applicant will be required to purchase a voucher from EC-Council DIRECTLY. EC-Council will then send the candidate the eligibility code and the voucher code which candidate can use to register and schedule the test at EC-Council Test Centers.
- b. The approved application stands valid for 3 months from the date of Approval, the candidate needs to test within 1 year from the date of voucher release.
- c. An application extension request will require the approval of the Director of Certification.
- d. If application is not approved, the application fee of USD 100 will not be refunded.

EC-Council Exam Eligibility Application Form v3.4

CEH (Certified Ethical Hacker)
CHFI (Computer Hacking Forensic Investigator)
CND (Certified Network Defender)
CTIA v1 (Certified Threat Intelligence Analyst v1)
CASE-JAVA v1 (Certified Application Security Engineer - Java v1)
CASE-.Net v1 (Certified Application Security Engineer - .Net v1)
EDRP v3 (EC-Council Disaster Recovery Professional v3)
ECSA v10 (EC-Council Certified Security Analyst v10)

Eligibility Requirements

Either one of the following criteria is required by EC-Council so that a determination can be made regarding a candidate's eligibility.

a) A candidate has completed "Official" training through an EC-Council Authorized Training Center (ATC).

Accepted "Official" training solutions: Instructor-Led (ILT) or Academic Learning.

b) A Candidate may be granted permission to attempt the exam without "Official" training if:

1. The Candidate has and can prove two years of Information Security related experience.*
2. The candidate remits a non-refundable Eligibility Application Fee of \$100 (USD).
3. The candidate submits a completed Exam Eligibility Application.

Application Submission Steps

Step 1: Complete the application form.

Step 2: Attach a copy of your resume, and a scanned copy of an identification document, such as Employee i-Card of your current or previous employment, which does not carry any Personally Identifiable Information.
EC-Council strongly discourage you from submitting your passport, driver's license, government ID or any other identification document that carries Personally Identifiable Information.

Step 3: Scan the documents and e-mail them to cehapp@eccouncil.org

Step 4: Remit \$100 payment for Non-refundable Eligibility Application Fee

Step 5: A representative from EC-Council's Certification Department will contact your Boss / Supervisor / Department head to verify the information submitted on your application.

Step 6: If your application is approved, you will be required to purchase the exam voucher directly from EC-Council.
You will then receive your exam eligibility code along with the exam voucher.

Confidentiality Of Information: We treat personal information securely and confidentially. EC-Council adheres to strict US privacy laws and will not disclose the submitted information to any third party with the exception of your Boss / Supervisor / Department head. (As stated above, verification is required.)

Disclaimer: EC-Council reserves the right to deny certification to any candidate who attempts to sit for this exam without qualifying as per the mentioned eligibility criteria. Should the audit team discover that a certification was granted to a candidate who sat for the exam and did not qualify as per the eligibility criteria, EC-Council also reserves the right to revoke the candidate's certification.

Retention Of Documentation: EC-Council will not retain any supporting documents related to the application beyond a period of 2 years from date of receipt.

Special Accommodation: Should you have a special accommodation request, you can write to us at certmanager@eccouncil.org, for more information on our special accommodation policy please refer to <https://cert.eccouncil.org/special-accommodation-policy.html>

EC-Council Exam Eligibility Application Form v3.4

Statement of Compliance

The objective of EC-Council's certifications is to introduce, educate and demonstrate hacking techniques and tools for legal security testing purposes only. Those who are certified by EC-Council any of our various "Hacking" disciplines, acknowledge that such certification is a mark of distinction that must be both earned and respected.

In lieu of this, all certification candidates pledge to fully support the Code of Ethics. Certified professionals who deliberately or intentionally violate any provision of the Code will be subject to action by a review panel, which can result in the revocation of the certification.

To this end, you will not exploit the thus acquired skills for illegal or malicious attacks and you will not use such tools in an attempt to illegally compromise any computer system. Additionally you agree to indemnify EC-Council and its partners with respect to the use or misuse of these tools, regardless of intent. You agree to comply with all applicable local, state, national and international laws and regulations in this regard.

I certify that I meet the experience and training requirements to apply to become certified in EC-Council's various "Hacking" certification discipline's. The information contained in this application is true and correct to the best of my knowledge. I understand that if I engage in any inappropriate, unethical, or illegal behavior or activity, my certification status can be terminated immediately.

By submitting this form to EC-Council, you agree to indemnify and hold EC-Council, its corporate affiliates, and their respective officers, directors and shareholders harmless from and against any and all liabilities arising from your submission of Personally Identifiable Information (such as passport, government ID, social security number etc) to EC-Council. Should EC-Council receive any Personally Identifiable Information attached to this application, this application will be rejected.

Print Form

If you submit electronically please don't forget to attach the requested documents. Also, by clicking agree and typing your name in the signature slot, you agree to comply with the statement of compliance. If you choose to print and fax in your application, please sign with your original signature to secure your compliance.

*Cumulative experience is acceptable. (Security Experience does not need to be in current job, or in one job.

**If self-employed, please submit letter from at least one client describing your IT Security contribution to their business.

Retakes & Extensions

EC-Council Exam Retake Policy

If a candidate does not successfully pass an EC-Council exam, he/she can purchase ECC Exam center voucher to retake the exam at a discounted price.

- a. If a candidate is not able to pass the exam on the first attempt, no cooling or waiting period is required to attempt the exam for the second time (1st retake).
- b. If a candidate is not able to pass the second attempt (1st retake), a waiting period of 14 days is required prior to attempting the exam for the third time (2nd retake).
- c. If a candidate is not able to pass the third attempt (2nd retake), a waiting period of 14 days is required prior to attempting the exam for the fourth time (3rd retake).
- d. If a candidate is not able to pass the fourth attempt (3rd retake), a waiting period of 14 days is required prior to attempting the exam for the fifth time (4thd retake).
- e. A candidate is not allowed to take a given exam more than five times in a 12-month (1 year) period and a waiting period of 12 months will be imposed before being allowed to attempt the exam for the sixth time (5th retake).
- f. Candidates who pass the exam are not allowed to attempt the same version of the exam for the second time.

EC-Council strongly advises candidate who fail the exam for the third time (2nd retake) to attend official hands-on training that covers the certification objectives.

EC-Council reserves the right to revoke the certification status of candidates who attempt the exam without abiding to EC-Council retake policy as stated above.

Extension Policy

EC-Council exam vouchers are valid for a maximum period of one year from the date of purchase. A candidate may opt to extend his/her EC-Council exam vouchers for an additional 3 months for \$35 if the voucher is valid (not used and not expired). Vouchers can only be extended once.

Voucher Policy

Once purchased, EC-Council vouchers (new, retake, or extended) are non-refundable, nontransferable, and non-exchangeable. EC-Council reserves the right to revoke the certification status of candidates who attempt the exam without abiding to any of the above EC-Council voucher policies.

EC-Council Special Accommodation Policy

A candidate with disabilities is defined as a person who has a physical, sensory, physiological, cognitive and/or developmental impairment that makes it difficult or impossible to attempt EC-Council certification exams using the standard testing equipment or within the standard exam duration.

In line with EC-Council's commitment to comply with the Americans with Disabilities Act (ADA, 1991), EC-Council will accommodate reasonable requests by candidates with disabilities who would like to attempt any EC-Council certification exams. Such requests will fairly equate disabled candidates with other candidates and enable them to denote their skills and knowledge in EC-Council's exams.

The special accommodation request is evaluated based on the candidate's particular accommodation request, nature of disability, and reasonableness of the request. The request form requires a legally approved expert, practitioner, or professional in the fields of physical or mental healthcare to confirm the need for special accommodation. The request form has 2 sections:

Section 1 should be filled and signed by the candidate, and Section 2 is to be filled and signed by a legally approved professional, expert or practitioner to support the candidate's special accommodation request. The information requested by EC-Council will be held in strict confidence and will not be released without the candidate's permission.

Candidates are required to submit their special accommodation requests to EC-Council at least 30 days prior to registering for an exam. EC-Council will respond with its decision within 14 days and provide the contact details of testing center/s that have the infrastructure to accommodate the candidate's special needs.

For any details or clarification, please email to certmanager@eccouncil.org

POTENTIAL ACCESSIBILITY BARRIERS

Standard format for EC-Council certification exams present the following potential accessibility barriers.

Manual

Examinees must use a mouse to point-and-click, click-and-drag, navigate from one question to the next by clicking, and perform tasks in a simulated or emulated software environment. Exam question formats include multiple choice questions in which the candidate answers by clicking on the selected response(s).

Optical

Reading text: Exam questions are written at a reading level appropriate to the content. The electronic exams must be read on a 15-inch or larger monitor with at least 1024x768 resolution. The font can be as small as 9 pt. in graphics and 11 pt. in text. Graphics will be displayed on the monitor (possibly in color).

Physical Stamina

Exams last for 4 hours (standard)

If you need more information in order to decide what accommodations are necessary, please contact the EC-Council Certification Division at certmanager@eccouncil.org

ANSI Accredited CND Exam Development & Exam Item Challenge

Exam development is a pivotal process that emphasizes on the technical, structural, semantic, and linguistic quality of exam items. Exam quality checks are done by a team of independent experts and professionals to ensure that the exam items are clear, error-free, unbiased and/or unambiguous.

Development Process

An invaluable input from industry experts was considered in the ANSI accredited CND exam development, especially on how the CND qualifications and credentials are exercised worldwide. The CND exam is meant to meticulously and unsparingly transcend ordinary knowledge so as to reflectively gauge the necessary knowledge and skill required by experts in the domain of Computer Forensics.

Development phases

The CND exam development process is comprised of 9 phases that cogently focus on optimizing the exam to reflect qualities of relevance, validity and reliability.

◆ **Objective domain definition**

Subject matter experts (SMEs) highlight the significant job functions of computer forensics.

◆ **Job analysis**

The job analysis identifies the tasks and knowledge important to the work performed by professionals in the field of IT Security; and, creates test specifications that may be used to develop the ANSI accredited CND exam. The result of a job analysis is a certification exam blueprint.

The tasks and knowledge statements are transmuted into a survey that experts would use to rate, measure, and assess the skills and knowledge required. These ratings are used to rank the statements and determine the number of questions to stem from each exam statement.

◆ **Scheme Committee Approval**

EC-Council Scheme Committee, a group of experts, inspects and validates the objective domain and the approach used in the job analysis prior to the authoring or writing of the exams.

◆ **Exam writing**

SMEs write the exam items to measure the objectives stated in the exam blueprint. The exact number of exam items that they write is dependent on the feedback of the job analysis phase. The approved items are those that are technically, grammatically, and semantically clear, unbiased, and relevant.

◆ **Standard setting**

A panel of experts other than those who write the items will answer and rate all items to deduce a minimum passing or cut score. Scores vary from one exam to another due to the score dependence on the items pool difficulty.

Final Scheme Committee Approval

The EC-Council Scheme Committee give their final approval of the whole process prior to the beta exam publication.

Beta exam

Once the Scheme Committee approves the scheme a beta exam is published. Candidates are to sit for the beta exam under identical conditions to the real exam. The distribution of the beta exam scores enables EC-Council to assess and calibrate the actual exam for better quality.

Final evaluation

The number and quality of items in the real live exam is determined by the scores and results of the beta exam. The analysis of the beta exam includes difficulty of items, capability of distinguishing level of candidates' competencies, reliability, and feedback from participants. EC-Council works closely with experts to continuously inspect the technical correctness of the questions and decide the pool of items that will be utilized for the live exam.

Final Exam Launch

ECC operate and oversee the administration of EC-Council certification exams in their centers around the world.

If the candidate believes that a specific part of the CND exam is incorrect, he/she can challenge or request evaluation of the part in question via the steps enumerated below. This should be done within three calendar days of the exam day. Such a process is necessary to identify areas of weakness or flaws in the questions but the exam itself cannot be re-scored. Nevertheless, all possible efforts are not spared to assure the candidate's satisfaction. The candidate's feedback is paramount to EC-Council certification exams.

Steps for challenging exam items

1. Fill and sign EC-Council Exam Feedback Form as detailed as possible. The detailed and clear description of the challenge will accelerate the review process. No candidate's exam item challenge of the exam's items will be considered without completing the form.
2. The form should be submitted within 3 calendar days from exam date to certmanager@eccouncil.org with the subject line typed "Exam Item Evaluation". Only requests received within 3 working days from taking the exams will be reviewed.
3. The candidate must fill a separate form for each exam item he/she is challenging.
4. EC-Council will acknowledge receipt of the request by email. This may include a conclusive result of the evaluation, or an estimated time for the evaluation process to be completed and results to be shared with the candidate.

EC-Council Exam Feedback Form

Use this form to describe in detail the specific reasons you are challenging an EC-Council Certification exam item. Include your contact information, registration ID, the number and name of the exam, the date you took the exam, and the location of the testing center. Please provide as much detail as possible about the item to expedite review. Your challenge will not be accepted for evaluation unless this form is complete.

Within three calendar days of taking the exam, submit this form by e-mail to certmanager@eccouncil.org with "Exam Item Evaluation" in the subject line. You must submit a separate form for each exam item you are challenging.

Your submittal will be acknowledged through e-mail. At that time, you will receive either the result of the evaluation or, if more time is needed for evaluation, an estimate of when you can expect a decision.

Item Description

(Describe the exam item in detail. Explain why you believe the item is not valid.)

Signature

Date

EC-Council Certification Exam Policy

EC-Council has several exam policies to protect its certification program, including:

- a. Non-Disclosure Agreement (NDA)
- b. Candidate Application Agreement (CAA)
- c. Candidate Certification Agreement (CCA)
- d. Security and Integrity Policy

Non-Disclosure Agreement (NDA)

Prior to attempting an EC-Council exam, candidates are required to agree to EC-Council NDA terms. Candidates should not attempt the exam unless they have read, understood and accepted the terms and conditions in full. By attempting the exam, the candidates signify the acceptance of the NDA terms. In the event that the candidate does not accept the terms of the agreement, he/she is not authorized by EC-Council to attempt any of its certification exams.

The NDA mandates that candidates not to disclose exam content to any third party and do not use the content for any purpose that will negatively undermine the integrity and security of the certification exam. All content and wording of the exam questions is copyrighted by EC-Council under the protection of intellectual property laws.

Action will be taken against violators of their signed NDAs. EC-Council reserves the right to revoke the candidate's certification status, publish the infraction, and/or take the necessary legal action against the candidate.

Please refer to Appendix B for EC-Council NDA.

Candidate Application Agreement (CAA)

Prior to attempting an EC-Council exam, candidates are required to agree to EC-Council CAA terms. Candidates should not attempt the exam unless they have read, understood and accepted the terms and conditions in full. By attempting the exam, the candidates signify the acceptance of the CAA terms. In the event that the candidate does not accept the terms of the agreement, he/she is not authorized by EC-Council to attempt any of its certification exams.

Action will be taken against violators of their signed CAAs. EC-Council reserves the right to ban candidates from attempting EC-Council exams, revoke the candidate's certification status, publish the infraction, and/or take the necessary legal action against the candidate.

Please refer to Appendix B for EC-Council CAA.

Candidate Certification Agreement (CCA)

Prior to attempting an EC-Council exam, candidates are required to agree to EC-Council CCA terms. Candidates should not attempt the exam unless they have read, understood and accepted the terms and conditions in full. By attempting the exam, the candidates signify the acceptance of the CCA terms. In the event that the candidate does not accept the terms of the agreement, he/she is not authorized by EC-Council to attempt any of its certification exams.

Through passing the certification exam, successful candidates are governed through EC-Council CCA. They are authorized to provide corresponding services and to use EC-Council marks, titles and benefits pertaining to the certification program(s) that the candidate has completed.

Action will be taken against violators of their signed CCAs. EC-Council reserves the right to revoke the candidate's certification status, publish the infraction, and/or take the necessary legal action against the candidate.

Please refer to Appendix B for EC-Council CCA.

Security and Integrity

EC-Council is committed to communicating clearly what may or may not represent unethical, fraudulent, or cheating practices. We exert every effort to raise the necessary awareness among our candidates about this.

Security Policies

The policies developed and maintained by EC-Council are meant to guard the integrity, confidentiality, and value of EC-Council exams and intellectual property.

a. Candidate bans

In the case of any infringement to any rules or policies in the NDA or any misdemeanor or misuse that harms certification program in whatever way, EC-Council reserves the right to bar the candidate from any future EC-Council certification exams by EC-Council. This may also be accompanied by EC-Council decertification. Below are some examples:

- The transference, distribution, creation, trading, or selling of any derived content of the exam through means like but not limited to copying, reverse-engineering, downloading or uploading, or any other form of distribution whether electronically, verbally, or via any other conventional or unconventional means for any purpose.
- Infringing EC-Council intellectual property.
- Utilizing the exam or any of its content in any way that may be break the law.
- Not adhering to the exam retake policy
- Forgery of exam scores report or any manipulation with its content.
- Any sort of cheating during the exam including communicating with or peeking on other candidate's answers.
- The sending or receiving of any information that can be a source of any assistance not in accordance with accepted rules or standards, especially of morality or honesty.
- The use of disallowed or unauthorized materials such as cheat sheets, notes, books, or electronic devices such as tablets or mobile phones.
- The use of certain materials that have been memorized re-created to provide an almost or close exact replica of the exam, widely known as "brain dump".
- Identity impersonation when sitting for the exam.
- Not adhering to EC-Council NDA.
- Not adhering to EC-Council CPA.
- Not adhering to EC-Council exam guidelines.

b. Candidate Appeal Process

- Banned candidates have a right to appeal to EC-Council. The candidate should fill the EC-Council Appeal form in full, attach his/her exam transcript and submit it to certmanager@eccouncil.org within 90 days from the EC-Council ban date.
- EC-Council will complete its thorough investigation in a maximum 15 working days and will contact the candidate with the final decision.
- If the candidate is not satisfied by EC-Council's decision, he/she has the right to refer his/her case to the Scheme Committee. The Scheme Committee decision is final. Please refer to the Appeal Process section for more details.

c. Exam Retake Policy

- If a candidate is not able to pass the exam on the first attempt, no cooling or waiting period is required to attempt the exam for the second time (1st retake).
- If a candidate is not able to pass the second attempt (1st retake), a waiting period of 14 days is required prior to attempting the exam for the third time (2nd retake).
- If a candidate is not able to pass the third attempt (2nd retake), a waiting period of 14 days is required prior to attempting the exam for the fourth time (3rd retake).
- If a candidate is not able to pass the fourth attempt (3rd retake), a waiting period of 14 days is required prior to attempting the exam for the fifth time (4thd retake).
- A candidate is not allowed to take a given exam more than five times in a 12-month (1 year) period and a waiting period of 12 month will be imposed before being allowed to attempt the exam for the sixth time (5th retake).
- Candidates who pass the exam are not allowed to attempt the same version of the exam for the second time.
- EC-Council strongly advises candidate who fail the exam for the third time (2nd retake) to attend official hands-on training that covers the certification objectives.
- EC-Council reserves the right to revoke the certification status of candidates who attempt the exam without abiding to EC-Council retake policy as stated above.

d. EC-Council Test Center (ETC) Closures Due to Security or Integrity Reasons

If there is a security or integrity issue with a certain testing center EC-Council may decide to suspend testing there until an investigation is complete or terminate the ETC status. EC-Council will provide affected candidates with a list of alternative test centers where they may attempt the EC-Council certification exam.

e. Candidate Retesting at Request of EC-Council

In case of any suspicious patterns or trends on either the side of the candidate or the testing center EC-Council reserves the right to demand the candidate(s) to re-sit for the exam and/or assessment test. Candidate is to agree to the retest, failing which EC-Council will not award the certification to the candidate. Candidate will be given one chance to take the Candidate

Retesting Audit (CRA) exam. Should candidate fail to pass the CRA exam, candidate will be given one chance to take the full exam again. Should candidate fail to pass the full exam, candidate will be temporarily barred from taking the exam.

The new retest exam location will be decided by EC-Council and at a time that is collectively convenient to the candidate and EC-Council.

EC-Council has the right to ask for additional information pertaining to the experience and education background of the candidate on the grounds of verification.

f. Revoking Certifications

- The infringement of any exam policies, rules, NDA, certification agreement or the involvement in misdemeanor that may harm the integrity and image of EC-Council certification program, may result in the candidate's temporary or permanent ban, at EC-Council's discretion, from taking any future EC-Council certification exams, revocation or decertification of current certifications. Such infringements include but are not limited to:
- The publication of any exam contents or parts with any person without a prior written approval from EC-Council.
- The recreation, imitation, or replication of any exam content through any means including memory recalling whether free or paid through any media including Web forums, instant messaging, study guides, etc.
- Harnessing any materials or devices not explicitly authorized by EC-Council during the exam.
- Taking out any materials that hold any exam contents outside the exam room, using for example, scratch paper, notebooks, etc.
- The impersonation of a candidate.
- Meddling with the exam equipment in an unauthorized way.
- Giving or being receptive of any assistance unauthorized by EC-Council.
- Acting in an uncivil, disturbing, mobbish, or unprofessional manner that may disregard or disrespect other candidates or exam officials during the exam.
- Communicating by whatever verbal or non-verbal means with other candidates in the exam room.
- Not adhering to EC-Council Exam Retake Policy and other candidate agreements.
- Not adhering to EC-Council Code of Ethics.
- Felony conviction in the court of law.

g. Beta Exam

- Sitting for a beta exam is only by invitation.
- Beta tests are focused on collecting data on the exam itself and are not focused on certifying you

h. Right of Exclusion

EC-Council reserves the right of exclusion of any test centers, countries, or regions from EC-Council administering EC-Council certification exam/s.

CND Credential Renewal

Your CND credential is valid for 3 years.

To renew your credential for another 3-year period you need to update your EC-Council Continuing Education (ECE) credit account in the EC-Council Aspen portal and submit proof of your earned credits. To maintain your certification, you must earn a total of 120 credits within 3 years of ECE cycle period.

The credits can be earned in many ways including attending conferences, writing research papers, preparing for training classes in a related domain (for instructors), reading materials on related subject matters, taking an exam of a newer version of the certification, attending webinars, and many others.

If you fail to meet the certification maintenance requirements within the 3-year time frame EC-Council will suspend your certification. Your certification will be suspended for a period of 1 year unless you earn the required 120 ECE credits to maintain/renew your certification.

If you fail to meet certification maintenance requirements during the suspension period your certification will be revoked. You will need to take and pass the certification exam again to earn the certification.

If you hold multiple EC-Council certifications, credits earned will be applied to all active certifications.

For full details regarding the ECE Policy please refer to the next section.

EC-Council Continuing Education (ECE) Policy

1. REASONS FOR INTRODUCTION OF ECE SCHEME

All legitimate and credible certifications have a re-certification program. In fact, ANSI/ISO/IEC 17024, a quality accreditation body requires credible certification providers to have their own re-certification program. Requirement 6.5.1 states, “The certification body shall define recertification requirements according to the competence standard and other relevant documents, to ensure that the certified person continues to comply with the current certification requirements.”

Continued competency can be demonstrated through many methodologies such as continuing professional education, examination (often not re-taking the original exam but an exam that would be at a higher level), or portfolios (when there is a product involved). The fact is there needs to be a time limit for the certification to ensure the consumers that the person has up-to-date knowledge.

This is why several governmental agencies are mandating accreditation of certifications in fields such as IT, Crane Operators, and Selling of Securities to the elderly.

Certification's main purpose is to “protect the public/consumers” NOT to protect the profession. When health, safety and security are at risk, certification is needed and it cannot be given for a “lifetime”. It is generally noted that, if professionals are not required to maintain their knowledge and skills in their profession, they won't. Today, credible organizations within professional domains require their members to provide evidence of a continuous learning as a basis for maintaining their license.

Differentiation

The ECE will brand, differentiate and distinguish a certified member as dedicated IT Security professional if he/she is willing to continuously learn and share knowledge to keep abreast of the latest changes in technology that affects the way security is viewed, deployed and managed. This is a key requirement of employers internationally and EC-Council being a major certification organization supports it.

How does it work?

Once a candidate becomes certified by EC-Council, the relationship between EC-Council and candidate will always be governed by the EC-Council Candidate Certification Agreement which candidate must agree to prior from receiving your certification. This agreement is also provided at <https://cert.eccouncil.org/images/doc/EC-Council-Certification-Agreement-4.0.pdf>

If a certified member earned certification/s that are included under the ECE scheme, he/she will have to achieve a total of 120 credits (per certification) within a period of three years. If a member holds multiple certifications, credits earned will be applied across all the certifications. However, effective January 1st, 2013, each certification will have its own ECE recertification requirements within its respective 3-year ECE window.

The credits can be earned in many ways including attending conferences, writing research papers, preparing for training classes in a related domain (for instructors), reading materials on related subject matters, taking an exam of a newer version of the certification, attending webinars, and many others. Qualified ECE activities must have been completed within ECE program's 3-year window and must be submitted in only one ECE 3-year window.

2. RECERTIFICATION

Effective January 1st, 2009, all EC-Council certifications will be valid for three years from the date of certification. During the three-year period, the certification must be renewed by participating in EC-Council Continuing Education (ECE) Program.

Upon completion of the 3 year ECE program and meeting the requirements, the member's certification validity will be extended for another three years from the month of expiry.

3. SUSPENSION, REVOCATION & APPEAL

SUSPENSION

If the certified member fails to meet certification requirements within the 3-year time frame, EC-Council will suspend his/her certification.

Suspended members will not be allowed to use the certification logos and related EC-Council membership benefits.

Suspended members must remediate their suspension within a maximum period of 12 months from the date of the expiry of the 3-year time frame. Failing which, the member's certification and status will be revoked and the member will need to challenge and pass the certification exam again to achieve certification.

Suspended members that subsequently meet the 120 ECE credit requirements within the specified 12 months deadline from the date of the expiry of the 3-year time frame will be reinstated as a member in good standing and can enjoy the use of their certification logo and related EC-Council benefits. However, the reinstated member will have only a reduced period to achieve another 120 ECE credits for their next recertification window. "Reduced period" refers to a time frame of 3 years less the suspension period.

REVOCATIONS

If member fails to meet certification requirements during the suspension period, he/she will have the certification revoked and will no longer be allowed to continue usage of the certification logo and related benefits. Members whose certification is revoked will be required to retake and pass the respective new exam to regain their certification.

APPEALS

Members whose certification has been suspended or revoked due to non-compliance of certification requirements may send in an appeal in writing to EC-Council. This appeal letter must be received by EC-Council within ninety (90) days of the suspension/ revocation notice, providing details of the appeal and reason(s) for non-compliance.

4. Audit Requirements

Certified members are required to maintain sufficient evidence to show your involvement in activities that earns you ECE credits. There is no requirement to submit evidence until it is requested for specifically by EC-Council.

5. Important Notice

Please note that the above is subject to change from time to time without prior notice. EC-Council reserves the right to make changes as required in order to maintain the reputation and recognition of its certifications and credentials. However, best effort will be used in informing members of changes via the website.

Below is a list of FAQs:

Are there any annual fees payable?

Effective January 1st 2016. Any member certified or recertified requires to pay an annual membership of USD100 if he/she holds a minimum of one certificate under the ECE policy and USD20 if he/she holds certificates that are not under the ECE policy.

More details about the membership fee, cycle and due date can be found at

<https://cert.eccouncil.org/membership.html>

How do I register my ECE credit?

Please log on to the Aspen Portal (<https://aspen.eccouncil.org>) to register your ECE credits.

ECE Qualifying Activities

Only IT security related events are qualified for ECE scheme such as IT seminars, reading IT security books, publishing a paper on IT Security related topics and anything that updates your knowledge on IT Security not only from EC-Council.

ECE Qualifying Events

- Volunteering in public sector - 1 credit per hour
- Association/Organization Chapter Meeting (per Meeting) - 1 credit per hour
- Author Article/Book Chapter/White Paper - 20 credits
- Author Tool - 40 credits
- Authoring Book - 100 credits
- Contribution to the exam development 40 credits - 100 credits
- Certification/ Examination - 40 credits
- EC-Council Examination (ECE) - 120 credits
- EC-Council Survey 20 credits
- Education Course - 1 credit per hour
- Education Seminar/Conference/Event - 1 credit per hour
- Higher Education - 15 credits per semester hour
- Identify New Vulnerability - 10 credits
- Presentation - 3 credits per hour
- Reading an Information Security Book/Article Review/Book Review/Case Study - 5 credits
- Teach New - 21 credits per day
- Teach Upgrade - 11 credits per day
- Review Board - 80 credits

What certifications from EC-Council are included in the ECE system?

EC-Council Examinations (CEH, CEH (Practical), ECSA, ECSA (Practical), LPT, LPT (Master), CHFI, CCISO, CND, ECIH, EDRP, CASE, CSA, CBP, CTIA, ECES, ECSS, CEI, CAST, CIMP and CDM) : 120 credits.

Can a member holding any of the abovementioned certification be exempted from the ECE scheme?

No.

Who can I speak to if I need more help?

If the particular event or activity is not listed on the Aspen portal, you can contact the Administrator at delta@eccouncil.org for assistance.

Can I use the certification name and logo after I pass my exams?

Yes, you can use the respective logos and labels of the certifications that you hold.

Where do I go to download the logos and guidelines?

You can download logos and usage guidelines from

<https://cert.eccouncil.org/images/doc/ec-council-logo-usage-v3.0.pdf>

C|ND CAREER PATH

If you would like to pursue your career beyond CND, you have many paths you can choose from:

- a. If you would like to be a licensed security consultant, apply to become a Licensed Penetration Tester (LPT).
- b. If you would like to become a trainer, apply to become a Certified EC-Council Instructor (CEI). (Terms & conditions apply)
- c. If you would like to be a multi-domain expert, earn the Certified Ethical Hacking (CEH), Certified Application Security Engineer (CASE) or choose from many other specialized certifications.
- d. If you would like to earn a master's degree in IT Security, consider applying for the EC-Council University (ECU) Master of Security Sciences (MSS). By earning the CND credential you have automatically earned 3 credits towards the degree.

For more details regarding the above certifications, please visit <https://cert.eccouncil.org/>

Code of Ethics

1. Keep private and confidential information gained in your professional work, (in particular as it pertains to client lists and client personal information). Not collect, give, sell, or transfer any personal information (such as name, e-mail address, Social Security number, or other unique identifier) to a third party without client prior consent.
2. Protect the intellectual property of others by relying on your own innovation and efforts, thus ensuring that all benefits vest with its originator.
3. Disclose to appropriate persons or authorities potential dangers to any e-commerce clients, the Internet community, or the public, that you reasonably believe to be associated with a particular set or type of electronic transactions or related software or hardware.
4. Provide service in your areas of competence, being honest and forthright about any limitations of your experience and education. Ensure that you are qualified for any project on which you work or propose to work by an appropriate combination of education, training, and experience.
5. Never knowingly use software or process that is obtained or retained either illegally or unethically.
6. Not to engage in deceptive financial practices such as bribery, double billing, or other improper financial practices.
7. Use the property of a client or employer only in ways properly authorized, and with the owner's knowledge and consent.
8. Disclose to all concerned parties those conflicts of interest that cannot reasonably be avoided or escaped.
9. Ensure good management for any project you lead, including effective procedures for promotion of quality and full disclosure of risk.
10. Add to the knowledge of the e-commerce profession by constant study, share the lessons of your experience with fellow EC-Council members, and promote public awareness of benefits of electronic commerce.
11. Conduct oneself in the most ethical and competent manner when soliciting professional service or seeking employment, thus meriting confidence in your knowledge and integrity.
12. Ensure ethical conduct and professional care at all times on all professional assignments without prejudice.
13. Not to associate with malicious hackers nor engage in any malicious activities.
14. Not to purposefully compromise or allow the client organization's systems to be compromised in the course of your professional dealings.

15. Ensure all penetration testing activities are authorized and within legal limits.
16. Not to take part in any black hat activity or be associated with any black hat community that serves to endanger networks.
17. Not to be part of any underground hacking community for purposes of preaching and expanding black hat activities.
18. Not to make inappropriate reference to the certification or misleading use of certificates, marks or logos in publications, catalogues, documents or speeches.
19. Not to be in violation of any law of the land or have any previous conviction.

ETHICS VIOLATIONS

EC-Council commitment towards ethics is the mainspring that holds all its programs, services, people and operations together. EC-Council regards ethics in earnest and from stem to stern. Corollary, EC-Council mandates and stipulates all its certified professionals, candidates, and prospective candidates to conduct themselves with the law, spirit of the law, and ethical practices that would reflect positively on clients, corporates, industries, and the society at large. The EC-Council Code of Ethics tops EC-Council mandatory standards and is a requisite and indeed a pillar of its strength.

EC-Council has an objective and fair process of evaluating cases of ethics violation. Any person/s may report an EC-Council certified professional by filling EC-Council Violation of Ethics Report form, describing clearly the facts and circumstance of the violation, and obtaining the confirmation of two verifiers who confirm that the report is true and correct. The Director of Certification has the authority to temporarily suspend a member that is suspected of violating EC-Council's Code of Ethics while the case is being brought before the EC-Council Scheme Committee.

The form will be submitted to EC-Council Scheme Committee for their review and resolution. The Committee will rule in light of substantial and sufficient evidence of ethics violation. Possible resolutions or penalties may include decertification, reprimand, warning, suspension of certification, publication of infraction and/or penalty, and lastly any possible litigation.

EC-Council will be formally notified of the Scheme Committee resolution in writing and with full details. EC-Council will notify the member/s, persons or parties concerned by email or registered mail of the Scheme Committee resolution. The Committee resolution is considered as final.

Appeal Form v2

EC-Council

EC-Council adapts the term appeal as a reference to the mechanism by which a candidate/member can request the reconsideration of an EC-Council decision or exam. The appeal applicants should fill EC-Council Appeal Form and attach all supporting evidence. For instance, if the applicant is seeking EC-Council's decision in relation to the exam, for example its equipment, materials, content, scheduling, registration, or proctoring, he/she/should submit EC-Council Appeal Form, EC-Council Exam Feedback form and exam transcript.

If the appeal is related to an EC-Council exam, the appeal request must be submitted to **certmanager@eccouncil.org** within seven (7) calendar days from exam date. All other appeals must be submitted to certmanager@eccouncil.org within sixty (60) calendar days from EC-Council's written decision. Appeals received beyond the above-mentioned timeframe would not be reviewed.

The appeal process is comprised of three primary stages:

Stage 1: EC-Council

EC-Council will inspect and scrutinize closely and thoroughly the candidate's appeal before providing a final decision. Technical issues like power outages, system crash, exam items will be forwarded to the EC-Council test centers to advise whether there are valid grounds for appeal. EC-Council will provide the candidate with the appeal results within 30 days from receipt of candidate's appeal request.

Stage 2: Scheme Committee

While EC-Council would exert every effort to resolve all matters in a fair and objective manner, EC-Council gives the applicant the right to appeal to EC-Council Scheme Committee Board if he/she is not satisfied with EC-Council's decision. The Scheme Committee will verify the intactness of all events and processes and provide EC-Council with its final decision, and EC-Council would communicate the decision to the candidate.

The Scheme Committee meets once every quarter. Only appeal requests received at least 30 days before the meeting will be reviews at that session. Appeals received less than 30 days from the Scheme Committee meeting will be reviewed in the subsequent meeting.

Stage 3: Honorary Council

The appeal will only be put forward to the adjudication of a subcommittee of the EC-Council Honorary Council, which will comprise of no less than 3 members; if the applicant is not satisfied with the Scheme Committee final decision. The request should be submitted by raising a ticket at https://eccouncil.zendesk.com/anonymous_requests/new in seven (7) calendar days from exam date. Appeals received beyond the 30-days timeframe would not be reviewed.

The Honorary Council meets once every year. Only requests received at least 30 days prior to the Honorary Council meeting will be review at that session. Appeals received less than 30 days from the Honorary Council meeting will be reviewed in the subsequent meeting. The decision concluded by the Honorary Council is irrefutable and is obligatory to all parties involved in the appeal.

EC-Council Appeal Form

If the appeal is related to an EC-Council exam, the appeal request must be submitted within three (3) calendar days from exam date. All other appeals must be submitted within sixty (60) calendar days from EC-Council's written decision.

Kindly submit your appeal form to *certmanager@eccouncil.org*

Change in Certification Scope

EC-Council shall, where applicable, give due notice to interested parties and certified members on changes in scope of certifications, rationale behind change, and effective dates of change. Such changes will be published on the EC-Council Certification website (<https://cert.eccouncil.org/>)

EC-Council shall verify that each certified member complies with the changed requirements within such a period of time as is seen as reasonable for EC-Council. For instance, old versions of certification exams are retired six months from the date of official announcement of the launch of the new version of the exam. These changes will only be done after taking into consideration EC-Council Scheme Committee views.

EC-Council's Scheme Committee is a member based network of volunteers that are recognized by EC-Council as experts in the field of information security. They are carefully selected from the industry and are committed to the information security community.

More importantly, they remain an independent voice for the industry and are responsible to advise EC-Council in the development and the maintenance of key certification-related matters.

Changes may be suggested by any stakeholder of EC-Council, but changes will be verified with documented psychometric analysis conducted by experts. Psychometric analysis would be conducted to determine the certification scope every three years or sooner; whereas evaluation would be conducted every year to ensure if amendment in scope of certification is required.

A close-up photograph of a person's hand holding a dark, shiny ink bottle. The hand is positioned as if about to write or stamp. The background is a plain, light-colored surface.

EC-Council

EC-Council
Logo Usage

EC-Council Logo Usage Guidelines

To use any of EC-Council's logos, candidate must be an EC-Council Certified Professional, EC-Council Test Center, EC-Council Accredited Training Center, or a Licensed Penetration Tester. A list of certifications can be found at <https://cert.eccouncil.org/certifications.html>

In this context, logo shall mean and include all logos provided by EC-Council. The logo is a trademark of EC-Council.

1. GENERAL

- Certified Member can only use the logo in its original form as provided by EC-Council.
- Certified Member must state the certification version number next to the logo such as v1. Certified Member may not alter, change or remove elements of the logo in any other way.
- “Only ANSI accredited certifications carry the ANSI logo”, the Certified Network Defender – ANSI accredited version does not carry a version number.
- Certified Member may not alter, change or remove elements of the logo in any other way.
- Certified Member may not translate any part of the logo.
- Certified Member may not use elements of the logo to be part of the design of other materials or incorporate other designs into the logo.
- Certified Member may not incorporate the logo or parts of the logo into Certified Member company name, company logo, website domain, trademark, product name and design, or slogan.
- Certified Member may not use the logo to show any form of endorsement by EC-Council.

2. INDIVIDUALS

- Certified Member may use the logo on his/her business cards, business letters, resume, Websites, emails, and marketing materials for individual service.
- Certified Member may only use the logo of the credential he/she is awarded.
- Certified Member may not use the logo if certification has been revoked or suspended
- Certified Member may not use the logo if certification term has expired/lapsed and not renewed.
- Certified Member may not display the logo to be larger or more prominent than candidate's name or company name and logo.
- Candidates who hold EC-Council 'Retired Status' may not use the logo unless the logo is used with the word 'retired'.
- Candidate may not use the logo if he/she is not certified.
- Candidate may not use the logo if he/she is still in the midst of a program and have not passed the certification exam.
- Candidate may not use the logo to show affiliation with EC-Council in any way.

3. EC-Council Test Centers (ETCs) and EC-Council Accredited Training Partners (ATPs)

- ETCs and ATP's may use the logo on their marketing materials related to EC-Council programs and certifications. ETCs and ATP's may not use the logo on any material not related to EC-Council certifications or programs.
- ETCs may not use the logo to signify any relationship or affiliation with EC-Council other than as an ETC
- ATPs may not use the logo to signify any relationship or affiliation with EC-Council other than as an ATP.

EC-Council Logo Usage Guidelines

4. COMPLIANCE

- EC-Council may occasionally conduct surveillance audits for materials bearing the logos. Candidates are to abide by the guidelines stated above. Certified Member may be subject to sanction if he/she does not adhere to these guidelines and may have his/her certification credential suspended or revoked.
- Certified Member must immediately cease to display, advertise or use the logo upon the suspension or revocation of certification credential.

5. LOGO DETAILS

a) Color

Full Color

The colors used for the logos are red, yellow, black and white. The color codes are:

Color- Red

RGB R: 255, G: 0, B: 0

Color- Yellow

RGB R: 255, G: 255, B: 0

Black and White

The logo can also be printed in black and white due to budget restrictions. For this, the color for the wordings and background of the logo must always be reversed. That is, the wordings are in black and the background is white or the wordings are in white and the background is black.

b) Size

The logo can be of any size but it must maintain all the elements of the logo without any distortions. All elements of the logo must remain legible.

EC-Council Logo Usage Guidelines

c) Spacing

The logo must not be overlapped and be fully prominent. There must be sufficient space between the logo and any other text or object. We recommend a minimum spacing of 0.3 centimeters.

d) Elements

All elements must remain in its original form. All elements of the logo must not be distorted or altered. Certified Member must ensure that the aspect ratio is maintained at all times.

e) Orientation

The logo must be presented in its upright form and not be displayed at other angles other than its horizontal layout.

f) Multiple Credentials

Individuals who attain multiple EC-Council certification credentials may display any of the logos for which certification has been achieved. Certified Member may not however, create a logo which displays a combination of all the credentials achieved. All logos must stand alone in its own right.

EC-Council Logo Usage Guidelines

6. USAGE EXAMPLES

These are examples on the usage of the logo. The usage guidelines must be strictly adhered to

- a. **Business Cards:** We recommend displaying the logo on the lower left or lower right-hand side of Certified Member business card.
- b. **Business Letters:** We recommend displaying the logo on the lower left or lower right-hand side of the letterhead page of Certified Member business letter.
- c. **Resume:** We recommend displaying the logo on the lower left or lower right-hand side of Certified Member resume.
- d. **Website:** We recommend displaying the logo at an appropriate location on Certified Member website.
- e. **Email:** We recommend displaying the logo at the bottom of Certified Member email signature.
- f. **Marketing Materials:** We recommend displaying the logo at an appropriate but prominent place in Certified Member marketing materials.

FREQUENTLY ASKED QUESTIONS

Should I attend training to attempt the CND exam?

EC-Council recommends, but not mandatory, that CND aspirants attend formal classroom training to reap maximum benefit of the course and have a greater chance at clearing the examinations.

What are the pre-requisites for taking a CND exam?

If you have completed CND training (online, instructor-led, or academia learning), you are eligible to attempt the CND examination. If you opt for self study, you must have minimum two years of work experience in the Information Security domain, submit a complete eligibility form and email it to **cehapp@eccouncil.org** for approval and remit USD100 eligibility fee through our website at **<https://store.eccouncil.org>**. Once approved, the applicant will be send instructions on purchasing a voucher from EC-Council directly. EC-Council will then send the candidate the eligibility code and the voucher code which candidate can use to register and schedule the test.

What is the eligibility criteria for self-study students?

It is mandatory for you to record two years of information security related work experience and get the same endorsed by your employer.

Where do I purchase the prepaid examination vouchers?

You can purchase the vouchers directly from EC-Council through its website at **<https://store.eccouncil.org>**

I have just completed the training. Can I defer taking a test to a later date?

Yes, you can - subject to the expiry date of your exam voucher. Ensure that you obtain a certificate of attendance upon completion of the training. You may contact your testing center at a later date and schedule the exam.

Why are there different versions for the exam?

EC-Council certifications are under continuous development. We incorporate new techniques and technology as they are made available and are deemed necessary to meet the exam objectives, as students are tested on concepts, techniques and technology.

How many times can I attempt the examination in case I do not pass in the first attempt?

Kindly refer to the Exam Retake Policy on our website at **<https://cert.eccouncil.org/exam-retake-policy.html>**

Do I have to recertify?

You will need to earn EC-Council Continuing Education Credits (ECE) to maintain the certification. Go to <https://cert.eccouncil.org/ece-policy.html> for more information. If you require any assistance on this, please contact https://eccouncil.zendesk.com/anonymous_requests/new

When will I get my certificate once I pass the certification examination?

Upon successfully passing the exam you will receive your digital ANSI accredited CND certificate within 7 working days.

How many questions are there in the exam and what is the time duration?

The examination consists of 100 questions. The exam is of 4-hour duration.

What kind of questions can I expect in the exam? Do you have any exam pointers?

The examination tests you on network defense related concepts, techniques and technology. Please refer to the CND Test Blueprint (<https://cert.eccouncil.org/images/doc/CND-Blueprint-v2.pdf>) to find out the competencies that you would be tested on.

Can I review my answers?

You can mark your questions and review your answers before you end the test.

CND Exam Blueprint v2

Appendix A

Domains	Objectives	Weightage	Number of Questions
1. Computer Network and Defense Fundamentals	<ul style="list-style-type: none"> • Understanding computer network • Describing OSI and TCP/IP network Models • Comparing OSI and TCP/IP network Models • Understanding different types of networks • Describing various network topologies • Understanding various network components • Explaining various protocols in TCP/IP protocol stack • Explaining IP addressing concept • Understanding Computer Network Defense (CND) • Describing fundamental CND attributes • Describing CND elements • Describing CND process and approaches 	5%	5
2. Network Security Threats, Vulnerabilities, and Attacks	<ul style="list-style-type: none"> • Understanding threat, attack, and vulnerability • Discussing network security concerns • Reasons behind network security concerns • Effect of network security breach on business continuity • Understanding different types of network threats • Understanding different types of network security vulnerabilities • Understanding different types of network attacks • Describing various network attacks 	5%	5
3. Network Security Controls, Protocols, and Devices	<ul style="list-style-type: none"> • Understanding fundamental elements of network security • Explaining network access control mechanism • Understanding different types of access controls • Explaining network Authentication, Authorization and Auditing (AAA) mechanism • Explaining network data encryption mechanism • Describing Public Key Infrastructure (PKI) • Describing various network security protocols • Describing various network security devices 	8%	8
4. Network Security Policy Design and Implementation	<ul style="list-style-type: none"> • Understanding security policy • Need of security policies • Describing the hierarchy of security policy • Describing the characteristics of a good security policy • Describing typical content of security policy • Understanding policy statement • Describing steps for creating and implementing security policy • Designing of security policy • Implementation of security policy • Describing various types of security policy • Designing of various security policies • Discussing various information security related standards, laws and acts 	6%	6

5. Physical Security	<ul style="list-style-type: none"> • Understanding physical security • Importance of physical security • Factors affecting physical security • Describing various physical security controls • Understanding the selection of Fire Fighting Systems • Describing various access control authentication techniques • Understanding workplace security • Understanding personnel security • Describing Environmental Controls • Importance of physical security awareness and training 	6%	6
6. Host Security	<ul style="list-style-type: none"> • Understanding host security • Understanding the importance of securing individual hosts • Understanding threats specific to hosts • Identifying paths to host threats • Purpose of host before assessment • Describing host security baselining • Describing OS security baselining • Understanding and describing security requirements for different types of servers • Understanding security requirements for hardening of routers • Understanding security requirements for hardening of switches • Understanding data security concerns when data is at rest, in use, and in motion • Understanding virtualization security 	7%	7
7. Secure Firewall Configuration and Management	<ul style="list-style-type: none"> • Understanding firewalls • Understanding firewall security concerns • Describing various firewall technologies • Describing firewall topologies • Appropriate selection of firewall topologies • Designing and configuring firewall ruleset • Implementation of firewall policies • Explaining the deployment and implementation of firewall • Factors to consider before purchasing any firewall solution • Describing the configuring, testing and deploying of firewalls • Describing the management, maintenance and administration of firewall implementation • Understanding firewall logging • Measures for avoiding firewall evasion • Understanding firewall security best practices 	8%	8

8. Secure IDS Configuration and Management	<ul style="list-style-type: none"> • Understanding different types of intrusions and their indications • Understanding IDPS • Importance of implementing IDPS • Describing role of IDPS in network defense • Describing functions, components, and working of IDPS • Explaining various types of IDS implementation • Describing staged deployment of NIDS and HIDS • Describing fine-tuning of IDS by minimizing false positive and false negative rate • Discussing characteristics of good IDS implementation • Discussing common IDS implementation mistakes and their remedies • Explaining various types of IPS implementation • Discussing requirements for selecting appropriate IDPS product • Technologies complementing IDS functionality 	8%	8
9. Secure VPN Configuration and Management	<ul style="list-style-type: none"> • Understanding Virtual Private Network (VPN) and its working • Importance of establishing VPN • Describing various VPN components • Describing implementation of VPN concentrators and its functions • Explaining different types of VPN technologies • Discussing components for selecting appropriate VPN technology • Explaining core functions of VPN • Explaining various topologies for implementation of VPN • Discussing various VPN security concerns • Discussing various security implications to ensure VPN security and performance 	6%	6
10. Wireless Network Defense	<ul style="list-style-type: none"> • Understanding wireless network • Discussing various wireless standards • Describing various wireless network topologies • Describing possible use of wireless networks • Explaining various wireless network components • Explaining wireless encryption (WEP, WPA,WPA2) technologies • Describing various authentication methods for wireless networks • Discussing various types of threats on wireless networks • Creation of inventory for wireless network components • Appropriate placement of wireless Access Point (AP) • Appropriate placement of wireless antenna • Monitoring of wireless network traffic • Detection and locating of rogue access points • Prevention of wireless network from RF interference • Describing various security implications for wireless network 	6%	6

11. Network Traffic Monitoring and Analysis	<ul style="list-style-type: none"> • Understanding network traffic monitoring • Importance of network traffic monitoring • Discussing techniques used for network monitoring and analysis • Appropriate position for network monitoring • Connection of network monitoring system with managed switch • Understanding network traffic signatures • Baselining for normal traffic • Discussing the various categories of suspicious traffic signatures • Various techniques for attack signature analysis • Understanding Wireshark components, working and features • Demonstrating the use of various Wireshark filters • Demonstrating the monitoring LAN traffic against policy violation • Demonstrating the security monitoring of network traffic • Demonstrating the detection of various attacks using Wireshark • Discussing network bandwidth monitoring and performance improvement 	9%	9
12. Network Risk and Vulnerability Management	<ul style="list-style-type: none"> • Understanding risk and risk management • Key roles and responsibilities in risk management • Understanding Key Risk Indicators (KRI) in risk management • Explaining phase involves in risk management • Understanding enterprise network risk management • Describing various risk management frameworks • Discussing best practices for effective implementation of risk management • Understanding vulnerability management • Explaining various phases involved in vulnerability management • Understanding vulnerability assessment and its importance • Discussing requirements for effective network vulnerability assessment • Discussing internal and external vulnerability assessment • Discussing steps for effective external vulnerability assessment • Describing various phases involve in vulnerability assessment • Selection of appropriate vulnerability assessment tool • Discussing best practices and precautions for deploying vulnerability assessment tool • Describing vulnerability reporting, mitigation, remediation and verification 	9%	9

13. Data Backup and Recovery	<ul style="list-style-type: none"> • Understanding data backup • Describing the data backup plan • Describing the identification of data to backup • Determining the appropriate backup medium for data backup • Understanding RAID backup technology and its advantages • Describing RAID architecture • Describing various RAID levels and their use • Selection of appropriate RAID level • Understanding Storage Area Network (SAN) backup technology and its advantages • Best practices of using SAN • Understanding Network Attached Storage (NAS) backup technology and its advantages • Describing various types of NAS implementation 	9%	9
14. Network Incident Response and Management	<ul style="list-style-type: none"> • Understanding Incident Handling and Response (IH&R) • Roles and responsibilities of Incident Response Team (IRT) • Describing role of first responder • Describing first response activities for network administrators • Describing Incident Handling and Response (IH&R) process • Understanding forensic investigation • People involved in forensics investigation • Describing forensics investigation methodology 	8%	8

AGREEMENTS

Appendix B

NON-DISCLOSURE AGREEMENT

EC-Council

EC-Council NON-DISCLOSURE AGREEMENT

EC-Council (“Disclosing Party”) intends to make available or have made available to you (“Receiving Party”) certain proprietary and confidential information including but not limited to exam items in connection with EC-Council certification (“Purpose”), in accordance with the terms of this Confidentiality and Non-Disclosure Agreement (“Agreement”). Such information so provided to the Receiving Party whether provided before or after the date hereof and whether written or oral, together with all manuals, documents, memoranda, notes, analyses, forecasts and other materials prepared by Receiving Party or any of its affiliates or Representatives which contain or reflect, or are generated from, such information shall be collectively referred to herein as the “Confidential Information.” The parties now agree as set forth below.

Receiving Party shall hold Disclosing Party’s Confidential Information in strict confidence and shall not disclose such Confidential Information to any third party or use it for any purpose other than to further the Purpose. Receiving Party further agrees not to disclose that they have received Confidential Information without the prior written consent of Disclosing Party.

Disclosing Party shall be deemed the owner of all Confidential Information, including all patent, copyright, trademark and other proprietary rights and interests therein. Receiving Party acknowledges and agrees that nothing contained in this Agreement shall be construed as (i) granting any rights in or to any Confidential Information or (ii) obligating either party to enter into an agreement regarding the Confidential Information, unless otherwise agreed to in writing.

CONFIDENTIAL INFORMATION IS PROVIDED “AS IS” AND DISCLOSING PARTY MAKES NO WARRANTIES, EXPRESS, IMPLIED, OR OTHERWISE, REGARDING CONFIDENTIAL INFORMATION, INCLUDING AS TO ITS ACCURACY. DISCLOSING PARTY ACCEPTS NO RESPONSIBILITY FOR ANY EXPENSES, LOSSES OR ACTION INCURRED OR UNDERTAKEN BY RECEIVING PARTY AS A RESULT OF RECEIVING PARTY’S RECEIPT OR USE OF ANY INFORMATION PROVIDED HEREUNDER.

Any Confidential Information disclosed hereunder and any copies thereof (including, without limitation, all documents, memoranda, notes, analyses, forecasts and other materials prepared by the Receiving Party or its affiliates or Representatives, and all electronically stored copies) will be returned or destroyed.

All Confidential Information shall continue to be subject to the terms of this Agreement until three years from the disclosure thereof. This Agreement shall be governed by and construed in accordance with the laws of the State of New Mexico, without regard to its conflict of law principles.

This Agreement may not be modified except by writing by Disclosing Party. If any provision of this Agreement or any portion thereof shall be held invalid, illegal or unenforceable by a court of competent jurisdiction, the remaining provisions of this Agreement shall remain in full force and effect, and the affected provisions or portion thereof shall be replaced by a mutually acceptable provision, which comes closest to the economic effect and intention of the parties hereto. This Agreement may be executed in counterparts, all of which shall constitute one agreement.

DO NOT attempt an EC-Council certification exam unless you have read, understood and accepted the terms and conditions in full. By attempting an exam, you signify the acceptance of those terms. Please note that in the event that you do not accept the terms and conditions of the Agreement, you are not authorized by EC-Council to attempt any of its certification exams. EC-Council reserves the right to revoke your certification status, publish the infraction, and/or take the necessary legal action against you, if you fail to comply with the above terms and conditions.

**Candidate Application Agreement and Candidate
Certification Agreement (Hereinafter referred to
as “Certification Agreement” v4.0)**

w.e.f. May 1st, 2015

EC-Council

EC-Council CERTIFICATION AGREEMENT v4.0

Candidate Application Agreement and Candidate Certification Agreement (Hereinafter referred to as "Certification Agreement" v4.0)

READ THE FOLLOWING TERMS AND CONDITIONS CAREFULLY. EXAMINATION SHALL NOT BE ATTEMPTED UNLESS ALL THE TERMS AND CONDITIONS OF THE AGREEMENT HAS BEEN DULY READ, UNDERSTOOD AND ACCEPTED IN FULL.

This EC-Council Certification Agreement (the "Agreement") is entered into between you and International Council of E-Commerce Consultants ("EC-Council") as of the date of the acceptance of the Agreement.

1. DEFINITIONS

For purposes this Agreement, the terms defined in this Section shall have the meanings set forth below:

- 1.1 **"Candidate"** means an individual who attempts the certification examination but is not conferred the said certification. When it is evidenced that the candidate is conferred a certification status, the Candidate shall be referred to as a "**Certified Member**".
- 1.2 **"Program"** shall mean one of the certification programs offered by EC-Council.
- 1.3 **"Examination Materials"** shall mean EC-Council certification examination(s) and any questions, instructions, responses, answers, worksheets, drawings and/or diagrams related to such examination(s) and any accompanying materials. The list is inclusive of all related EC-Council Training Materials.
- 1.4 **"Marks"** means, as the case may be, any and all EC-Council titles, trademarks, service marks and/or logos which EC-Council may from time to time expressly designate for use corresponding to the EC-Council certification that a candidate attempts or a Certified Member have achieved.

2. OBLIGATIONS

- 2.1 At all times, you shall agree to adhere to the certification/candidate policies of EC-Council including but not limited to:
 - 2.1.1 Certification Exam Policy (<https://cert.eccouncil.org/certification-exam-policy.html>);
 - 2.1.2 Exam Retake Policy (<https://cert.eccouncil.org/exam-retake-policy.html>);
 - 2.1.3 Eligibility Policy (<https://cert.eccouncil.org/application-process-eligibility.html>);
 - 2.1.4 EC-Council Non-Disclosure Agreement
(<https://cert.eccouncil.org/images/doc/Non-Disclosure-Agreement-v1.0-15112011.pdf>)
EC-Council reserves the right to add, edit, amend or delete the abovementioned policies at any time without notice.
- 2.2 At all times, you shall agree to adhere to the Code of Ethics of EC-Council including but not limited to

EC-Council CERTIFICATION AGREEMENT v4.0

- Keep private and confidential information gained in one professional work, (in particular as it pertains to client lists and client personal information). Not collect, give, sell, or transfer any personal information (such as name, e-mail address, Social Security number, or other unique identifier) to a third party without client prior consent.
- Protect the intellectual property of others by relying on own innovation and efforts, thus ensuring that all benefits vest with its originator.
- Disclose to appropriate persons or authorities potential dangers to any e-commerce clients, the Internet community, or the public that the Certified Member had reasonably believe to be associated with a particular set or type of electronic transactions or related software or hardware.
- Provide service in own areas of competence, being honest and forthright about any limitations of own experience and education. Ensure that the Certified Member is qualified for any project by an appropriate combination of education, training, and experience.
- Never knowingly use software or process that is obtained or retained either illegally or unethically.
- Not to engage in deceptive financial practices such as bribery, double billing, or other improper financial practices.
- Use the property of a client or employer only in ways properly authorized, and with the owner's knowledge and consent.
- Disclose to all concerned parties those conflicts of interest that cannot reasonably be avoided or escaped.
- Ensure good management for any project the Certified Member leads, including effective procedures for promotion of quality and full disclosure of risk.
- Add to the knowledge of the e-commerce profession by constant study, share the lessons of own experience with fellow EC-Council members, and promote public awareness of benefits of electronic commerce.
- Conduct oneself in the most ethical and competent manner when soliciting professional service or seeking employment, thus meriting confidence in the Certified Member's knowledge and integrity.
- Ensure ethical conduct and professional care at all times on all professional assignments without prejudice.
- Not to associate with malicious hackers or engage in any malicious activities.
- Not to purposefully compromise or allow the client organization's systems to be compromised in the course of the Certified Member's professional dealings.
- Ensure all penetration testing activities are authorized and within legal limits.
- Not to take part in any black hat activity or be associated with any black hat community that serves to endanger networks.
- Not to be part of any underground hacking community for purposes of preaching and expanding black hat activities.
- Not to make inappropriate reference to the certification or misleading use of certificates, marks or logos in publications, catalogues, documents or speeches.
- Not to be in violation of any law of the land or have any previous conviction.

EC-Council CERTIFICATION AGREEMENT v4.0

- Make claims regarding certification only with respect to the scope for which the certification has been granted.
- Not to use the certification in such a manner as to bring EC-Council into disrepute.
- Not to make misleading and/or unauthorized statement regarding the certification or EC-Council.
- Discontinue the use of all claims as regard to the certification which contains any reference to EC-Council or to the certification upon suspension/withdrawal of the said certification.
- Return any certificates issued by EC-Council upon suspension/withdrawal of the certification.
- Refrain from further promoting the certification in the event of the said certification is withdrawn or suspended.
- Inform EC-Council without any undue delay of any physical or mental condition which renders the Certified Member incapable to fulfill the continuing certification requirement.
- Maintain the certification by completing, within the time frame specified by EC-Council, all continuing certification requirements (if any) that correspond with Certified Member's particular certification.
- To not to participate in any cheating incident, breach of security, misconduct or any other behavior that could be considered a compromise of the integrity or confidentiality of any EC-Council certification examination.

2.2.1 Upon being a Certified Member, you shall adhere to the EC-Council Continuing Education (ECE) policy (<https://cert.eccouncil.org/ece-policy.html>).

3. CERTIFICATION

- 3.1 You shall be conferred a certification only upon a successful completion of the required certification examination and your compliance with the requirements described in the current corresponding program brochure. You agree that EC-Council has the right to modify any examination, certification scheme, test objectives or the requirements for obtaining or maintaining any EC-Council certification at any time.
- 3.2 Notwithstanding anything in this agreement to the contrary, EC-Council has the sole discretion to withdraw, suspend, or refuse to renew and/or grant you the certification if EC-Council in good faith determines that your certification or use of the corresponding Marks will adversely affect EC-Council or the community at large or consumers.
- 3.3 Upon being conferred the certification, you are under the obligation to notify EC-Council of any changes to your contact information.
- 3.4 Once you are certified, you are solely responsible for keeping yourself informed of EC-Council's continuing certification requirements for maintaining your own certification. If you fail/do not complete the continuing certification requirements within the time frame specified by EC-Council, your certification for that particular Program will be suspended or revoked without further notice, and all rights pertaining to that certification (including the right to use the applicable Marks) will terminate.

EC-Council CERTIFICATION AGREEMENT v4.0

4. TERM AND TERMINATION

- 4.1 Term. This Agreement shall begin on the Effective Date and shall terminate as provided in this Agreement.
- 4.2 Once you are a Certified Member and decide to upgrade your status to include any other certification Programs, this Agreement shall remain in effect and remain to govern your right to use any new certification Marks.
- 4.3 Termination. Without prejudice to any rights it may have under this Agreement or in law, equity, or otherwise, EC-Council shall terminate this Agreement upon the occurrence of any one or more of the following events by you, under your capacity as a Certified Member:-
 - 4.3.1 If you fail to perform any of the Certified Member's Obligations under this Agreement;
 - 4.3.2 If you render professional services without complying with the terms and conditions under this Agreement, or if you discontinue offering the professional services without proper or just reasons;
 - 4.3.3 If any government agency or court finds that the professional services as provided by you are defective or improper in any way, manner or form; or
 - 4.3.4 If you, during the Term of this Agreement disparage or harm EC-Council or its reputation in any way whatsoever either directly or indirectly, via written or oral comments/statements that could reasonably be interpreted to criticize, condemn, or minimize the competence, integrity, quality, value, or reputation of EC-Council whether or not it may reasonably be expected to lead to unwanted or unfavorable publicity to EC-Council.
 - 4.3.5 If any actual or potential adverse publicity or other information about you, your professional services, or your use of the Marks causes EC-Council, in its sole judgment, to believe that EC-Council's reputation will be adversely affected.
- 4.4 In the event of breach by you, EC-Council will give you a written notice notifying the said breach. In the event of a breach, EC-Council may immediately terminate this Agreement with a fourteen (14) day notice period, during which time you shall be given the opportunity to cure the breach. If you fail or are unable to correct the breach within the notice period, this Agreement will automatically terminate on the last day of the notice period without further notice. EC-Council shall have no liability to you under any circumstances for termination of this Agreement.
- 4.5 You shall also have the right to terminate this Agreement without cause with a prior written notification of thirty (30) days in advance of the date of termination. Notice of the termination of this Agreement without cause will be effective when EC-Council receives a written statement from you at the following address:-

EC-Council CERTIFICATION AGREEMENT v4.0

For Europe, Middle East and Asia regions:-

Attention: Director of Certification

Plot No: SI ,
TIE Phase -1 , Balanagar,
Hyderabad 500037,
INDIA

USA and South America

Attention: Director of Certification

101 C Sun Avenue NE,
Albuquerque, NM 87109
USA

- 4.6 Effect of Termination. Upon the termination of this Agreement, you as a Certified Member shall immediately cease all use of the Marks, all representations or claims that you hold any EC-Council Certifications, or any other statements that imply in any way that you are EC-Council Certified. This obligation includes, but is not limited to, immediately removing the Marks from all web sites and electronic materials under your control, including resumes, professional profiles, and email signatures, as well as from all hard copy materials, including business cards. All unused business cards or other hard copy materials bearing the Marks shall be destroyed within ten (10) days of termination, and you agree to provide EC-Council a written statement under oath attesting to such destruction, if requested by EC-Council. Upon termination, you shall also lose all access to the related portals made available to you by EC-Council during the term by which you are a Certified Member.

5. LICENSE

- 5.1 At all times, you in your capacity as a Candidate, shall not be granted the rights to use the Marks in whatever way possible, be it for promotional, advertising, marketing and/or publicity purposes. Failure to abide with this section shall attract legal recourse in the forms of injunctions, civil liability, and forfeiture of profits, punitive damages and/or other legal sanctions deemed reasonable to address such breach.
- 5.2 Subject to the terms and conditions of this Agreement and the attainment of one or more of EC-Council certifications, EC-Council shall grant you in your capacity as a Certified Member a non-exclusive and non-transferable license to use the Marks solely in connection with providing the professional services that correspond to the certification Program that the Certified Member have earned.
- 5.3 Once certified, you may use the Marks on such promotional display and advertising materials as it may, in your judgment, promote the professional services in correspondence to your certification.
- 5.4 You shall not use the Marks for any purposes that are not directly related to the provision of the professional services corresponding to your particular certification. You shall not use the Marks of any certification program unless you have completed the certification Program requirements and have been notified by EC-Council in writing that you have achieved the certification status for that particular Program.

EC-Council CERTIFICATION AGREEMENT v4.0

- 5.5 As a Certified Member, you shall not misrepresent your own certification status or qualifications so as to imply or suggest that EC-Council in any way endorses, sponsors or recommends you, or any of your products or services.
- 5.6 You also agree that your status as a Certified Member and your rights pertaining to the Marks as vested to you under this Agreement shall not permit you to hold yourself out as having any ownership rights over the official Training/Examination Materials. Any attempts/action which implies to the public that you have some degree of ownership to the official Training/Examination Materials shall be construed as a material breach of this Agreement and your certification shall be revoked with immediate effect.

6. OWNERSHIP OF MARKS BY CERTIFIED MEMBERS

Once certified, no title or ownership of the Marks shall be transferred to you in pursuant to this Agreement. EC-Council owns and retains all title and ownership of all intellectual property rights in the products, documentation, certificate and all other related materials. EC-Council does not transfer any portion of such title and ownership, or any of the associated goodwill to you, and this Agreement should not be construed to grant you any right or license, whether by implication, estoppel, or otherwise, except as expressly provided. You agree to be bound by and observe the proprietary nature of the materials acquired by reason of your certification under this Agreement.

7. CONDUCT OF BUSINESS OF CERTIFIED MEMBERS

You as a Certified Member shall agree to (i) conduct business in a manner which reflects favorably at all times on the products, goodwill and reputation of EC-Council; (ii) avoid deceptive, misleading or unethical practices which are or might be detrimental to EC-Council or its products; and (iii) refrain from making any representations, warranties, or guarantees to customers that are inconsistent with the policies established by EC-Council. Without limiting the above, you are also obliged to not to misrepresent your certification status or level of skill and knowledge related thereto.

8. QUALITY OF PROFESSIONAL SERVICES BY CERTIFIED MEMBERS

You shall also agree that it is of fundamental importance to EC-Council that the professional services are of the highest quality and integrity. Accordingly, you agree that EC-Council will have the right to determine in its absolute discretion whether the professional services meet EC-Council's standards of merchantability. In the event that EC-Council determines that you are no longer meeting accepted levels of quality and/or integrity, EC-Council agrees to advise you and to provide you with a commercially reasonable time of no less than one (1) month to rectify and meet the same.

9. RESERVATION OF RIGHTS AND GOOD WILL IN EC-COUNCIL

EC-Council retains all rights not expressly conveyed to you by this Agreement. You must recognize the value of the publicity and goodwill associated with the Marks and acknowledge that the goodwill will exclusively inure to the benefit of, and belong to, EC-Council. You as a Certified Member shall have no rights of any kind whatsoever with respect to the Marks licensed under this Agreement except to the extent of the license granted in this Agreement.

EC-Council CERTIFICATION AGREEMENT v4.0

10. NO REGISTRATION BY CERTIFIED MEMBER

You agree not to file any new trademark, collective mark, service mark, certification mark, and/or trade name application(s), in any class and in any country, for any trademark, collective mark, service mark, certification mark, and/or trade name that, in EC-Council's opinion, is the same as, similar to, or that contains, in whole or in part, any or all of EC-Council's trade names, trademarks, collective marks, service marks, and/or certification marks, including, without limitation, the Marks licensed under this Agreement. You further agree to not to register or use as your own any internet domain name which contains EC-Council's Marks or other trademarks in whole or in part or any other name which is confusingly similar thereto. This section shall survive the expiration or termination of this Agreement.

11. PROTECTION OF RIGHTS BY CERTIFIED MEMBER

- 11.1 You agree to assist EC-COUNCIL, to the extent reasonably necessary and at EC-Council's expense, to protect or to obtain protection for any of EC-Council's rights to the Marks.
- 11.2 If at any time EC-Council requests that you discontinue using the Marks and/or substitute using a new or different Mark, you shall immediately cease use of the Marks and cooperate fully with EC-Council to ensure all legal obligations have been met with regards to use of the Marks.

12. INDEMNIFICATION BY CERTIFIED MEMBER

- 12.1 You shall agree to indemnify and hold EC-Council harmless against any loss, liability, damage, cost or expense (including reasonable legal fees) arising out of any claims or suits made against EC-Council (i) by reason of your performance or non-performance under this Agreement; (ii) arising out of your use of the Marks in any manner whatsoever except in the form expressly licensed under this Agreement; and/or (iii) for any personal injury, product liability, or other claim arising from the promotion and/or provision of the professional services.

13. CONFIDENTIALITY

- 13.1 Training/Examination Materials are the proprietary, confidential and copyrighted materials of EC-Council. Any disclosure of the contents of any EC-Council certification examination is strictly prohibited.
- 13.2 You, at all times, hereby agree to maintain the confidentiality of all Examination Materials and not to disclose, publish, reproduce, distribute, post or remove from the examination room, any portion of the Examination Materials. Failure to observe and comply with this provision shall be deemed as a breach and shall attract legal recourse in the forms of injunctions, civil liability, forfeiture of profits, punitive damages and/or other legal sanctions deemed reasonable to address such breach.
- 13.3 Your obligation of confidentiality hereunder shall terminate when you can establish that the Examination Materials (a) is already in the public domain or becomes generally known or published without breach of this Agreement; (b) is lawfully disclosed by a third party free to disclose such information; or (c) is legally required to be disclosed provided that you promptly notify EC-Council so as to permit such EC-Council to appear and object to the disclosure and further provided that

EC-Council CERTIFICATION AGREEMENT v4.0

such disclosure shall not change or diminish the confidential and/or proprietary status of the Confidential Information.

- 13.4 You further agree that, except as otherwise stated in this Agreement, you shall not use the name of EC-Council and/or its other corresponding entities, either expressed or implied in any of its advertising or sales promotional material.

14. LIMITATION OF LIABILITY

IN NO EVENT WILL EC-COUNCIL BE LIABLE TO YOU FOR ANY SPECIAL, INDIRECT, CONSEQUENTIAL PUNITIVE, EXEMPLARY OR ANY SIMILAR TYPE OF DAMAGES ARISING OUT OF OR IN ANY WAY RELATED TO THIS AGREEMENT.

15. GENERAL PROVISIONS

- 15.1 **Governing Law and Venue.** This Agreement will in all respects be governed by the law of the State of New Mexico, excluding its conflicts of laws and provisions, and venue of any actions will be proper in the courts of the State of New Mexico of the United States of America.
- 15.2 **Attorney's Fees.** In the event of any action arising out of or relating to this Agreement, the prevailing party shall be entitled to recover the costs and expenses of the action, including reasonable attorney's fees, incurred in connection with such action from the losing party.
- 15.3 **Non-Waiver.** No waiver of any right or remedy on one occasion by either party will be deemed a waiver of such right or remedy on any other occasion.
- 15.4 **Assignment.** Neither this Agreement nor any of your rights or obligations arising under this Agreement may be assigned without EC-Council's prior written consent. This Agreement is freely assignable by EC-Council, and will be for the benefit of EC-Council's successors and assigns.
- 15.5 **Independent Contractors.** You acknowledge that you and EC-Council are independent contractors and you agree to not to represent yourself as, an employee, agent, or legal representative of EC-Council.
- 15.6 **Compliance with Laws.** You agree to comply, at your own expense, with all statutes, regulations, rules, ordinances, and orders of any governmental body, department, or agency that apply to or result from your rights and obligations under this agreement.
- 15.7 **Modifications.** Any modifications to the typewritten face of this Agreement will render it null and void. This Agreement will not be supplemented or modified by any course of dealing or usage of trade. Any modifications to this Agreement must be in writing and signed by both parties.
- 15.8 **Revision of terms.** EC-Council reserves the right to revise the terms of this Agreement from time to time. In the event of a revision, your signing or otherwise manifesting assent to a new agreement may be a condition of continued certification.

EC-Council
